Dear Dr. Jacobs:

I very much appreciate the kind invitation extended me in your letter of May 5 to participate in the meeting with the Task Force on National Security and Peace next June 24th and 25th at the Mayflower Hotel.

It is with genuine regret that I find I shall not be able to join you since my schedule calls for my being away from Washington at that time.

With every best wish for a most successful session.

Sincerely,

SIGNED

Dear Mr. Dulles:

The work of the Task Force on National Security and Peace with which I know you are familiar is progressing satisfactorily but we do believe that it would be of great value to us if we could have the opportunity to discuss with you some of the problems that confront us. The Task Force is meeting in Washington at the Mayflower Hotel on June 24th and 25th and I sincerely hope that your schedule will permit you time to join us on one of those days. I would very much appreciate your letting me know here at Trinity College, Hartford, if you can be with us and at what time so that we may plan our agenda. We are most grateful for your interest and cooperation.

With my kindest regards,

Sincerely,

Albert C. Jacobs, Chairman
Task Force on National Security
and Peace
